

HOOOLIGAN SPARROW

By Nanfu Wang

The danger is palpable as intrepid young filmmaker Nanfu Wang follows maverick activist Ye Haiyan (aka Hooligan Sparrow) and her band of colleagues to southern China as they seek justice in the case of six elementary school girls allegedly sexually abused by their principal. Marked as enemies of the state, the activists are under constant government surveillance and face interrogation, harassment and imprisonment. Sparrow continues to champion girls' and women's rights and arms herself with the power of social media. Filmmaker Wang becomes a target, too, as she must deal with destroyed cameras and intimidation. *A co-presentation with the Center for Asian American Media (CAAM). Official Selection of the 2016 Sundance Film Festival.*
