

**Critical Acclaim**  
**For 'OF MEN AND WAR'**  
By Laurent Bécue-Renard

"This devastatingly raw documentary shows that for some the fighting may stop, but the suffering continues. . . . Empathetic and rigorous, [the film] burns low and slow."

—**Jeannette Catsoulis, *The New York Times***

"An illuminating portrait of psychologically damaged Iraq War veterans that works as both a compelling network narrative and a vital historical document."

—**Jordan Mintzer, *The Hollywood Reporter***

"Laurent Bécue-Renard's rigorous war-trauma documentary provides vital testimony. . . . vividly presented."

—**Charles Gant, *Variety***

"Remarkable."

—**Robert Abele, *Los Angeles Times***

"**Of Men and War's** compassion is matched only by its relentlessness. . . . a tapestry of despair, one defined by its persistence."

—**Bilge Eberi, *New York Magazine***

"A very powerful and revealing documentary."

—**Jack Ford, host, "MetroFocus"**

"Might be the most powerful Iraq war movie in years. . . . The camera becomes an instrument for therapy through which, with incredible courage and generosity, the veterans reveal the memories that haunt them."

—**Julian Ross, *Indiewire***

"Staggeringly brilliant. . . . Once you see this harrowing film you will understand what a stark juxtaposition our lives are from the lives of soldiers who have served in combat."

—**Ira Israel, *The Huffington Post***

"In Wiseman-esque fashion, **Of Men and War** accrues meaning . . . building on itself as it goes along and finding resonances between scenes of therapy and life in the outside world."

—**Vadim Rizov, *Filmmaker Magazine***

"This film is raw in the truest sense, yet refined in its sympathy and scope."

—**Diana Clarke, *The Village Voice***

"A work of astounding sensitivity and precision, **Of Men and War** argues for emotional honesty as a moral and psychic imperative."

—**Christopher Gray, *Slant Magazine***

“A series of devastating, nakedly human moments showing the cost of war on the men sent to fight it.”

—**Norman Wilner, *NOW Toronto***

“An essential, expertly edited portrait of American veterans.”

—**Daniel Walber, *Nonfics.com***

“A work of astounding sensitivity and precision, **Of Men and War** argues for emotional honesty as a moral and psychic imperative.”

—**Christopher Gray, *Slant Magazine***
